About SimbaNET

SimbaNET is a member of Wananchi Group - A Licensed East African Public Data Operator with both Regional and International presence providing high-speed data & Internet Services over Fiber, LTE/4G & VSAT.

We have been in business for over 10 years providing telecommunications services in Africa. Our direct footprints include Kenya, Tanzania, Uganda, Zambia, Malawi and UAE. However, through our partners, we offer services in other countries such as Rwanda, Burundi, SA, Mozambique, Nigeria, Ghana, South Sudan and DRC.

Our Connectivity Solutions includes MPLS, IPLC, DPLC and VSAT.

We're not just about networks, we can also supply voice, security, mobility and cloud services in a Managed Model - acting as the single point of responsibility and ownership for your complete ICT solution.

Backed by a variety of access technologies like fibre, VSAT and WiMAX; our SME Product Suites has no limitation of geography while providing connectivity and value added services to our clients.
