

SimbaTrunk

SimbaTRUNK is a voice communication solution that runs over the Voice over Internet Protocol (VoIP) & delivers telephone services and unified communications to customers.

A virtual pipe is established between customers PBX and SimbaNET switch. It is used for passing voice traffic. Customer receives one number as complimentary which can be used to place and receive multiple calls. Extra numbers can be requested additionally. We have two flavors – 6 and 30 channels. Extra channels can be purchased additionally.

Our solution cuts across all business size categories from small to medium to large enterprises and can be customized to fit your needs.

Features

- One free telephone number
- Multiple incoming & outgoing calls through a single phone number
- Free ON-NET calls
- Low priced local and international calling rates
- Per second billing
- Post-paid billing
- Self-care interface

Optional Features

- Additional phone numbers available on demand
- Hosted PBX on the Cloud
- Hosted PBX caters traditional features like, Call Hold, Call Forward, Ring Groups, Voice Mail, IVR scenarios

About SimbaNET

SimbaNET is a member of Wananchi Group - A Licensed East African Public Data Operator with both Regional and International presence providing high-speed data & Internet Services over Fiber, LTE/4G & VSAT.

We have been in business for over 10 years providing telecommunications services in Africa. Our direct footprints include Kenya, Tanzania, Uganda, Zambia, Malawi and UAE. However, through our partners, we offer services in other countries such as Rwanda, Burundi, SA, Mozambique, Nigeria, Ghana, South Sudan and DRC.

Our Connectivity Solutions includes MPLS, IPLC, DPLC and VSAT.

We're not just about networks, we can also supply voice, security, mobility and cloud services in a Managed Model - acting as the single point of responsibility and ownership for your complete ICT solution.

We'll keep your service levels simple and clear; tailored to your specific needs. We'll monitor your SIP Trunking solution 24/7...
